To Maree and staff of The Australian Outback Baby Project

Dubbo Emergency Accommodation Project Inc would like you to accept our enclosed

Certificate of Appreciation

as a small token for the wonderful donation of miscellaneous baby items.

Dubbo Emergency Accommodation Project Inc is very appreciative of the very generous donation we received. As our service survives on limited funding, and day to day costs are rising substantially, the miscellaneous baby items are very welcome & will be put to very good use assisting our clients.

Regards
